finishing touches...

GLOSSY POSSE

As well as being high-performance and eco-friendly, the new line of non-toxic paints from Konig Colours offers a spectrum of bright and beautiful shades. You'd expect nothing less from interior design duo Vanessa and Jasper Galloway, who've launched the range with hues such as Bandol Sky, left, and Conch Pink, right. From £44 for 4l (konigcolours.co.uk)

Big frills

Casamance's first foray into trimmings has resulted in two new designs designed to complement its fabrics. Named after Islington and Islington, they offer a beguiling array of ways to dress your upholstery and accessories some. From £12 per roll (casamance.co.uk)
